## CoreTrustSeal Newsletter 12-2022

### Seasonal greetings

The CoreTrustSeal Board wish you all of the hope, wonder, trustworthiness and joy that the season can bring!

### CoreTrustSeal YouTube channel

CoreTrustSeal has created a [YouTube channel](#)

A play list has been created per version of the requirements.

All videos on the requirements for 2023-2025 and related topics can be found [here](#)

### Training

On December 6 and 8 we had the CoreTrustSeal Training sessions and Open Coffee hours on the [Requirements 2023-2025](#). The video and related documents will be uploaded to the YouTube channel soon!

# CoreTrustSeal Application Management Tool (AMT)

The AMT will not accept new applications from 1 November 2022 – 15 January 2023 while the [Requirements 2023-2025](#) are being implemented in the new Application Management Tool.

The AMT will be closed for all (applicants and reviewers) in the last week of December 2022 and first week of January 2023 to be able to make the switch to the brand new tool.

From January 15, 2023 CoreTrustSeal will be accepting new applications again.
