## CoreTrustSeal Newsletter 02-2023

### New Application Management Tool (AMT) is launched!

The new [Application Management Tool \(AMT\)](#) has been launched today. New applications under the [Requirements 2023-2025](#) are now being accepted!

All the applications that were still open under the Requirements 2020-2022 have been moved to this new tool.

All the **users from the previous tool** have been moved to the new tool. If you want to log-in please use the **SIGN IN** button with the email address you used in the old tool and **ask for a password reset**.

If you are a **new user** please use the **SIGN UP** button.

The instructions/ manual on how to use the tool can be found in the top left hand corner of the screen once you have logged in.

### Training

On December 6 and 8, 2022 we had the CoreTrustSeal Training sessions and Open Coffee hours on the [Requirements 2023-2025](#). The video and related documents have been uploaded to the YouTube channel. Just press the below button to view!
